## WATER CANDIDATES CALL OUT

For all persons interested in receiving training as a **Water Treatment Plant / Waste Water Operator**, this information is for your use. Upon completion of the construction of the new Kiashke Zaaging Anishinaabek – Gull Bay First Nation Water Treatment facilities, GBFN will require the services of TWO (2) qualified staff to operate the system. Under the supervision of Marcel Shonias, certified staff will be responsible for conducting the various associated activities. To prepare for this upcoming need, Council has authorized the identification and financial support of interested candidates.

Candidates will have their travel, certification and testing fees paid for by the FN. GBFN would like to send at least 4-6 candidates to the Entry-level course for Drinking Water Operators. This program is delivered over two weeks:

- 1st week – facilitated self-study with face-to-face instructor support;
- 2nd week – classroom instruction and a 'hands-on' training component delivered by two certified instructors.
