

## JOB POSTING: Operator-In-Training

**Location:** Unaffiliated First Nation in Ontario

**Closing Date:** Open

The mandate of the Ontario First Nations Technical Services Corporation (OFNTSC) is to provide engineering and technical advisory services to all Unaffiliated First Nations and Tribal Councils in Ontario. The OFNTSC requires the services of an Operator-In-Training that will assist a First Nations' Water Treatment Plant Operator. The position will be located in an Unaffiliated First Nation community participating in the OFNTSC's HUB program.

### **KEY ACCOUNTABILITIES AND RESPONSIBILITIES:**

The Operator-In-Training will be responsible for assisting the Water Treatment Plant Operator in the operation, maintenance and monitoring of their community's water and wastewater treatment and distribution systems.

### **Major Responsibilities;**

- Support the operation of water treatment and distribution systems.
- Check, clean & lubricate waterworks equipment.
- Adjust and repair waterworks equipment under the direction of a qualified WTP Operator.
- Testing and monitoring using chemicals (such as chlorine).
- Perform general maintenance on waterworks equipment.
- Provide labour support for water & wastewater operations as needed.
- Assist the WTP Operator in the maintenance, testing and monitoring of; water mains, major sewers and pumping stations.
- Working in unsanitary and odorous conditions.
- Responds to inquiries, complaints and concerns in a timely and professional manner.
